Hon. Julius Genachowski  
Chairman  
Federal Communications Commission  
445 12<sup>th</sup> Street, S.W.  
Washington, D.C. 20554

Dear Chairman Genachowski:

As the Congressman for the Third Congressional District of Colorado, I write to encourage your support of the proposed merger between CenturyLink and Qwest. This merger was approved on December 16<sup>th</sup> by the Colorado Public Utilities Commission.

The transaction also has received antitrust clearance from the U.S. Department of Justice and the Federal Trade Commission. In addition, the Communications Workers of America and the International Brotherhood of Electrical Workers have agreed the merger is in the public interest.

Qwest has been a significant employer for the state of Colorado and a consistent presence in our business community. The Qwest Corporation currently provides nearly 8,000 jobs to the people of Colorado with an annual payroll of over \$750 million. Furthermore, in 2009, Qwest, the Qwest Foundation, and Qwest employees contributed more than \$4.3 million to benefit nonprofits in the state.

I strongly urge the Federal Communications Commission to give a full and fair review of this merger, which stands to benefit the citizens and economy of Colorado.

Sincerely,

Scott Tipton  
Member of Congress

OFFICE OF  
THE CHAIRMAN

The Honorable Scott R. Tipton  
U.S. House of Representatives  
218 Cannon House Office Building  
Washington, D.C. 20515

Dear Congressman Tipton:

Thank you for your letter supporting the proposed transfer of control between CenturyLink and Qwest. I value your perspective on the potential benefits of this transaction and I appreciate your interest in this matter.

Many of the issues associated with this transaction – investment in broadband infrastructure, extending broadband to rural areas, and promoting economic growth – are among my highest priorities as Chairman. The Commission takes seriously its evaluation of transfer of control applications; and you can be assured that it will consider these issues as part of its careful and deliberate review of this proposed transfer.

Your letter will be included in the record of this proceeding. If I may be of further assistance, please do not hesitate to contact me.

Sincerely,
